

## Camp Scrubs Emergency Preparedness 2009

**What:** Camp Scrubs will provide high school students with an opportunity to explore their interests in health careers and gain a competitive edge in pursuing the colleges and careers of their choice.

**Where:** Camp Scrubs is a week long day camp that takes place at **Saint Louis University School of Medicine**.

**When:** Camp activities begin at **9:00 am** and end at **3:15 pm**.

**At this year's Camp Scrubs, participants will focus on Emergency Preparedness. The Camp will include the following,**

Explore **Health Careers** with healthcare professionals.

Use **Missouri Connections** to explore and prepare for successful careers and build an online portfolio for college.

Have fun with **hands on activities**, such as a **dissection** at **AIMS** (Adventures in Medicine and Science) .

Become certified in **Adult CPR**.

Take a tour of a local **hospital**.

Complete the application process and some of the requirements for the **ACES program**.

**Who Should Apply?** - High School Students who qualify for the ACES Program.

**Need More Info?**
